The Quest for Solutions can be a daunting one, but we're here to help. We offer different tools and services to help you succeed. Let's explore the different options available to see which is best for your needs.

Company Description:

NEEV INTERNATIONAL was founded in the year 2009. "Neev" is a Hindi word meaning foundation, it is a nonprofit making organization, and is formed with a spirit of promoting our services to all in need, by providing a range of solutions to public, private, development organizations, business small or big and last but not the least our main the government. Our achievement lies in client satisfaction.

Neev International is all round service provider for both business & government needs. It deals in diverse industries, in all the verticals of different departments associated with the industry. Neev-international is a one place stop for all the services and solutions incurred. Business with us is built on trust-our foundation.

Our "high performance business" strategy builds on our expertise in consulting, technology and outsourcing to help clients perform at the highest levels so they can create sustainable value for their customers, shareholders. Using our industry knowledge, service-offering expertise and technology capabilities, we identify new business and technology trends and develop solutions to help clients around the world:

- ✓ Enter new markets.
- ✓ Increase revenues in existing markets.
- ✓ Improve operational performance.
- ✓ Deliver their products and services more effectively and efficiently.

Neev-International is a global management consulting, technology services, project management services and outsourcing company. Combining unparalleled experience, comprehensive capabilities across all industries and business functions, and extensive research on the world's most successful companies,. Neev-international collaborates with clients to help them become high-performance businesses and governments.

We have extensive relationships with the world's leading companies and governments and work with organizations, private and public companies of all sizes including Fortune Global to start ups.

Among the many strength that distinguishes Neev-international in the marketplace are our:

- ✓ Extensive industry expertise.
- ✓ Broad and evolving service offerings.
- ✓ Expertise in business transformation outsourcing.
- ✓ History of technology innovation and implementation, including our research and development capabilities..
- ✓ Commitment to the long-term development of our employees.
- ✓ Proven and experienced management team.

Our Core Values have shaped the culture and defined the character of our company, guiding how we behave and make decisions. The basic purpose and prime focus of a NEEV-international is to ensure utmost accurate service to the people, goods and machinery. Our work system possesses certain dominant traits like utmost PRECISION, INTEGRITY, QUALITY and TRUSTWORTHINESS, which makes NEEV.-INTERNATIONAL perfection at its finest.

By enhancing our consulting, providing solutions, range of services and outsourcing expertise with alliances and other capabilities, we help move clients forward in every part of their businesses, from strategic planning to day-to-day operations. Deep industry and business process expertise, broad global resources and a proven track record, Neev-International can mobilize the right people, skills and technologies to help clients improve their performance.

About Us:

A global approach to global problems, Neev-International is a global leader in management consulting, technology services and outsourcing company. Combining unparalleled experience, comprehensive capabilities across all industries and business functions, and extensive research on the world's most successful companies, Neev-International collaborates with clients to help them become high in performance businesses and governments. We aim to have a positive impact on businesses and markets, as well as on society as a whole.

Fast access to our global network:

Serving people is the foundation of our success. We assemble the right multi-disciplinary team for your business, drawing on our global talent pool, to help you achieve your potential. We work closely with you, gaining a clear understanding of your organization and striving to identify issues before they become problems. We make sure you get fast access to the people you need, wherever in the world you need them. And with our global focus on the global Industry sectors you benefit from a market-leading global response to your specific needs.

Developing our people, to the benefit of your business:

As business challenges become more complex, it's important for us to have people with a wide spectrum of views and opinions to address those challenges. That's why our emphasis on inclusiveness matters more than ever today. Neev-International open culture fosters continuous personal and professional development and attracts talented professionals from diverse backgrounds. We know that when our people grow and succeed, your company benefits.

Great place to work:

We can't be a great organization without great people. We work in a culture that puts our people first. We strive to help everyone achieve both their professional and personal goals in an environment that fosters growth and provides continuous opportunities to develop new skills and knowledge.

Making a difference in a changing world:

Increasingly, businesses, governments and nongovernmental organizations are pulling together to address challenges that have no borders, such as environmental sustainability and other aspects of corporate responsibility. At Neev-International, we want your business and ours to thrive long into the future, but that is only possible if the communities around us also thrive. As a result, corporate responsibility is an essential part of our business strategy. In our community engagement efforts, we focus on three issues that take advantage of our skills and that are crucial to a healthy society:

- ☞ Improving access to education
- ☞ Fostering entrepreneurship
- ☞ Reducing our environmental impact

Our values:

Who we are:

- ✓ People who demonstrate integrity, respect, and teaming.
- ✓ People with energy, enthusiasm, and the courage to lead.
- ✓ People who build relationships based on doing the right thing.

Our corporate value:

- ☞ Act with genuine concern
- ☞ Accountability to promises
- ☞ Relentless improvement
- ☞ Enduring enthusiasm

Since its inception, Neev-International has been governed by its core values. They shape the culture and define the character of our organization. They guide how we behave and make decisions.

↳ **Client Value Creation.**

Improving our clients' business performance, creating long-term, win-win relationships and focusing on execution excellence.

↳ **One Global Network.**

Mobilizing the power of teaming to deliver consistently exceptional service to our clients anywhere in the world. And leveraging the power of global insight, relationships, collaboration and learning to deliver exceptional service to clients wherever they do business

↳ **Respect for the Individual**

Valuing diversity, ensuring an interesting, inclusive environment, unique contributions, fostering a trusting, open and inclusive environment and treating people as we would like to be treated ourselves, Respect for the individual in a manner that reflects Neev International's values.

↳ **Best People.**

Attracting, developing and retaining the best talent for our business, challenging our people, demonstrating a "can-do" attitude and fostering a collaborative and mutually supportive environment.

↳ **Integrity.**

Inspiring trust by taking responsibility, acting ethically, and encouraging honest and open debate. Trust is the foundation of Neev International.

↳ **Stewardship**

Fulfilling our obligation of building a better, stronger and more durable company for future generations, protecting the Neev-International brand, meeting our commitments to stakeholders, acting with an owner mentality, developing our people and helping improve communities and the global environment.

Our values define who we are. They are the fundamental beliefs of our global organization. They guide our actions and behavior. They influence the way we work with each other — and the way we serve our clients and engage with our communities.

Our people:

We put people first:

We want our people to succeed. Without great people, we cannot be a great organization, so we strive to provide an environment where talented people can develop, flourish and make a difference.

☞ **Our culture fosters success.**

We provide our people with the development and knowledge resources they need to be successful in all aspects of their lives both personally and professionally. Within Neev-internationals employees have access to learning, knowledge and professional support, including mentors and development networks. And we regularly recognize and reward achievement.

☞ **An inclusive view.**

We are committed to creating an inclusive environment one that is progressive, flexible and values the individual contributions of all of our people. The diversity of thought and experience of our people is essential to our business success. Our Inclusiveness Team is dedicated to helping us maintain an environment that respects and builds on the assets and talents of everyone, valuing their different characteristics including race, background, gender, sexual orientation, or physical abilities.

☞ **A flexible perspective.**

We believe that people perform best in and want to maintain relationships with organizations to which they feel truly connected.

☞ **A generous spirit.**

Putting people first isn't confined to the workplace. Whether it's our tradition of philanthropy in supporting higher education through our Academic Resource Center, supporting professional organizations or our community engagement in cities and towns across the nation, Neev-International and its people give generously of their time, talents, and resources. The result is a culture that recognizes the power of every person to make a difference.

☞ **A great place to work.**

Whether it's our commitment to creating a diverse workplace or our programs devoted to flexibility, Neev-International strives to be an "employer of choice."

Full time experts in business transition, understanding every nuance behind a move

Our Team have decades of combined experience in successfully transitioning advisors to new broker-dealers. Each is well versed in what it takes to ensure your move is a smooth one, from the paperwork that needs to be completed through guidance on how to communicate with your clients about your move. Our team will guide you throughout the process, from your first tour of our home office through the signing of your deal papers.

When you make the move to Neev-International, you'll quickly realize why joining us is the right choice for your business or for you. We listen to our advisors, while understanding that you don't need us to tell you how to run your business. Rather, we're there for you when you need us, and we respond to your needs by providing the solutions that matter to you.

Using Deal Closer: Process and procedure:

Step 1- Pay by Pay Pal and We will send you a request via PayPal for Advance payment rest after closer .Total cost = 1% of the closer amount (**Minimal costs and fees, maximum advantages.**)

Step 2- Send Us Your Lead

Once the payment has been settled you need to send us your lead via email this must contain and name and number of the prospect

Step 3- First Call To Qualify The Lead.

It's important to discuss the terms before going into the specifics because we only want to deal with the people who are motivated to sell.

Step 4- Market Value Due Diligence

If the deal looks hot we look and analyze sites on the market to find out what the property is realistically worth.

Step 5- Rental Value Due Diligence

We look and analyze sites on the market to find out what the property is realistically worth.

Step 6 - Second Call Back To Renegotiate Deal

When most people say their house is worth "X" amount most of the times they are wrong and after the research we do we have to go back to re negotiate the whole deal this is what we do in this step

Step 7 - Work The Figures For You

This is where we work the figures out for you to see if the deal is even worth doing and to explore other creative strategies which may be available

Step 8 - Call Back With Feedback

this is when we call to give you the feedback over the phone to discuss if it's a deal or not.
